As far as I understand from prophecy the Bible warns at Judgement Day, Orion (Amos 5:8, Isaiah 13:10) as Armageddon (Israel Vs Iran) takes place.

Yeshua warns 'that when we see the Parable of the 'Fig' before 'Summer' (Matthew 24:32-34, Luke 21:29-33 = Isaiah 28:4), then we shall see the sun & moon (meteors) shall fall from the sky (Matthew 24:29, Mark 13:24-25, Luke 21:25-26).

What is interesting based on the timeline, is that when Yeshua came it was still yellow, and it has then proceeded to become blood red (Joel 2:31); the last 2000 years.

Red giant Betelgeuse was yellow some 2,000 years ago

Red Supergiant Star Betelgeuse Was A Different Color Just 2,000 Years Ago

So do you think it is possible that God sent the Messiah first as a warning that the countdown had started, and then the Messiah returns prior to its end?
