Amen Salishan,

When I died I saw that this to be correct, why shamans also say, "before back you can not be a full shaman".

As the whole universe is spirit the lower levels are Ego and the highest

From what I saw and then correlated with the commandments, I-Ching and worldwide, I wrote out the 13 dimensions, which is a guide to what exists to transcend to the highest level of Oneness or Heaven

This works, with in both the spirit realm and also a guide for life.

I can't help feeling that all the prophets world wide, have been working to a full guide to Oneness.

Also from a worldwide perspective as it is the same in all books. Each part all we must do is make it whole, then we can have true Oneness here on

[Have a read of this page](#) added more near the end to simplify it a bit!
