There is so much symbolism to all of this, there are new things I discover

Nandaka is the Sword that Kali vanquishes the sinfulness with, a sword that
we move into an age of Godliness.

Ahura Mazda means Lord of Wisdom.

Zand means exegesis in Persian, and a Saoshyant (Bringer of Truth) is s
(Judgement Day Fire).

Nandaka is the spirit of Shiva (Refresher) in the Krishna Upanishads... T
name of Shiva's son, who comes before Mahapralaya (Great Dissolution).

The divine naming is so succinct.
