On reading many of the world's religions as asked to by God at 15 years global eschatology; I've found my name recorded in many of them as the Lords i.e Head of the Divine Council or the name of the Creator in many

I've been correlating a big article with references to the Wikipedia and look them up, and see it isn't just me making stuff up.

Some I've not found the references to, and so will record them here; so that that might be significant:

Mandaeen

[Abatur Muzan](#) = Avatar of Balance.

[Zan-Hazaz](#) = a kind of/way\* - this time.

This is a fascinating ideology, where the first is one of the highest status the one who brings judgement. This said [Sandalphon](#) is implied Jewish Archangels, being the one who interacts with mankind.

Zandat: name of a supernatural being -

This was found [Mandaeen Dictionary](#) literally our name (Zanda); yet can't find to show it.

Bon

These in the Bon religion of Tibet (before Buddhism took over) are fascinating Brahma, and the second is a name for Buddha.

[Tsangpa Karpo](#)

[Kuntu Zangpo](#)

This I can find in reference to their deities, yet can't find the correct translation in their pantheon:

dMu-bDud Kam-Po Sa-Zan (spirit sky creator).

*All help appreciated in correlating the data.*
