7th Beggar professor of Kabbalah from New Jersey removed the ban over th  
he can ridicule me being a fulfilment of Jewish prophecy before Armaged

Even though he has not read a majority of the religious texts in question  
again stated his opinion is final, and he is 99% sure that he rejects the  
the Rabbinic Jews to survive.

I've clearly relayed to 7th over the last 17 years, that many of the name  
world's religions therefore fulfil the person named after the Angel of the L  
Final Trumpet in Revelation 10, three years before reading the Bible.

As a return of King David, Yeshua, and the new Zion name is prophesied globally I'm  
shocked that someone could be so full of their own self aggrandizement,  
declaration to put 15 million Jews to death; yet he perceives because he  
small Paltalk chatroom, with a bunch of Christians as backup, that he is  
happening in religious prophecy globally.

Since 7th and I declared I should write to the Chief Rabbi to get some Rabbis  
they'd even assess the case can find what I wrote to Ephraim Mirvis in Lo

On telling them both whom I wrote to, they both mocked Ephraim Mirvis a  
amateurish, and yet this decision on the fate of all the Rabbinic Jews ex  
them being serious with what is being stipulated.

Thank God I don't actually need to win anyone over to being in the Mess  
our guest-list as prophesied.
