The 7th Beggar was appointed as the ambassador to the Jewish people 17+ years ago, but he has now declared that he is 100% certain that he will never accept my interpretation of the texts globally; as he has decided without study of a majority of them, that

Where when we study the world's religious texts we can show I've fulfilled the prophecies before Judgement Day, and therefore according to prophecy the Rabbinic death in the Judgement Day Fire - Which will happen without warning, unless you take the prophecy seriously.

I'm really sorry to all Jewish people, that he really doesn't care if you are alive or not, him rejecting the fulfilment of the religious prophecies globally for every day, and him consistently everyday to change his mind; yet he is determined he is going to die, instead of him question religious texts properly.

I really can't believe I'm saying this, as I always thought since 5-6 years ago that I was going to have a chance to survive.

Updated Disclaimer: The 7th Beggar pleads he does care about the Jewish people, and does not want them dead. He thinks me claiming to have fulfilled parts of the Bible based on my own imagination, and it is my own made up religion.
