Olam Chesed Y & the 7th Beggar rejected the prophesied offer to save the people before the Great Tribulation.

The pair of them think it is funny to troll an Avatar sent before Judgement repeatedly tried to explain religious prophecy via a tool of a source name was found in many of the world's religious ideas.

As far as I understand based on the prophetic timelines in Revelation 19 Messiah has a New Name, and only he knows that name; if we exegete Revelation 19:17-18 we can tell us what the name is:

Quote:

Revelation 3:12 He who overcomes, I will make him a pillar (Sandalphon) and he will go out from there no more. I will write on him the name of my city of my God (Zion), the new Jerusalem, which comes down out of heaven and has its own new name (Sananda).

I thank 7th for the last 18 years of saying the opposite to many religious texts to look them up. This fulfils Rabbi Nathan of Severy Beggar's prophecy that the Seven Beggars have, there is also something profoundly opposite. The name of the Messiah, a professor of Kabbalah hasn't understood, I've then studied loads to prove that the texts are accurate, and the scholars haven't actually studied enough.

For years I was telling 7th that I fulfilled Revelation 10 three years before 7th stated "there are no Archangels in Judaism that sound anything like the new name of Christ before starting our conversations 18 years ago, I specifically in Kabbalistic angelology, to see if it was fundamentally the

This is where I discovered that Sandalphon was the Archangel who is a Pillar in the Kabbalistic Tree of Life. This then aligns that in Revelation 10:1, it tells us that the pillar down is a Pillar, and the same in Revelation 3:12, that the name referenced in the naming of the Messiah is in alignment with the name of the New Jerusalem, the Name of Christ (Sananda), the Name of the Bible's deity, and the name of the Pillar in the Temple of God (Sandalphon).

Recently I've just done loads of exoteric studies on a symbolic naming of the returning Messiah in all these verses.

Thus in Revelation 19:17-18 it aligns with Ezekiel 39:17-20, where the Zions are 'land back by force' in Ezekiel 38:8-12, with the help of Magog (Christen) at the end of Ezekiel 38, they are warned by the spirit of the Creator - when

named after the Creator in many of the world's religions before Judgement where 7th & Olam have publicly declared that they've rejected the offer for help save the Israelis.

They both want [write to the Beth Din \(Jewish High Court\)](#) establish a case, they've been planning on murdering billions of people. Yet considering it when they reject the offer Judgement comes, it will only be to implicate they also had prior knowledge that Judgement Day was coming.

Having [written to Chief Rabbi Euztabelle Miev](#) October 7th, as a final warning before things take place. I'm not impressed at the level of comprehension that the implications prophesied are so massive.

I'd like to apologize to all people globally, that I've failed to explain to suffer from their lack of action, and that in them choosing to go against I decided to sentence billions of people to death.
