Even though I'm normally pretty good at reading Hebrew, I noticed that the word Sheol (Hell) in Hebrew is spelled the same as Saul... He does say some good things.

Here these verses actually use a Greek word for Oneness (G1775 -  $\mu\acute{\iota}\eta\tau\eta\varsigma$ ) which has not been translated properly in most Bible translations, so thought to include a quote:

Ephesians 4:3 endeavoring to keep the unity (Oneness) of the Spirit in the bond of peace;

Ephesians 4:13 And this until we all come into the unity (Oneness) of the knowledge of the Son of God, to a full-grown man, to the measure of the stature of the fullness of the Christ;

G1520 -  $\mu\acute{\iota}\eta\tau\eta\varsigma$  means One, and adding the end makes it Oneness (heterogeneity). I have chosen the word Unity, which isn't as concise as the language shows it can be.
