7th is just consistently deleting everything I say to him in the chatroom, interact, then maybe his role in prophecy will disappear.

As prophesied we're on the verge of Armageddon in the Middle East, with having shared with 7th what was required to prevent it.

Thus wrote this poem for 7th, though he deleted each line regardless of consequences:

Time ticking away before Armageddon,
Opportunity lost claiming to follow the religion;
People suffering as bad intention,
Standing against the Messianic prophecy with no comprehension.
Rhyming prophets with complications,
Dumb scholars with no risk of implications;
Not so smart Jewish professors following them with no hesitation -
Yet can they be wise, and change the Rabbinic Jews destination?
Consistent in standing against Hebraic contemplations,
Destining many to complete annihilation.
Desperately attempting to keep jurisdiction,
Whilst unintentionally causing everyone's extinction.
