Questioning our Legal Rights to Protect Humanity

Shalom Aleichem,

I'm writing to you to see if I've got any legal rights to defend the Jewish people. I believe as a child I was given advanced knowledge by God to try to prevent the destruction of humanity according to the texts is directly caused by the Pharisaic corruptions of the Jewish religion.

I've known since 4-5 years old that I'm sent as an Avatar, where my name is Zanda and since 5-6 years old have known advanced details from two thousand years online of studying different religions, and debating what God gave me. I have a considerable list of references to name a few of the world's religious texts, many are recorded prior to Judgement coming on mankind.

I'm not exactly a scholar, and so don't really know how to put forward a case for experts to address all these details. I'm also not exactly what is expected of religious believers, and therefore can't understand from a Rabbinic perspective how to sound anything like what your rabbis thought will happen.

18 years ago I met a professor of Kabbalah from New Jersey, on a chat system. His username is The Seventh Beggar, based on the tale by Rabbi Nachman of Breslov. He has been given to the Rabbis, as to try to prevent the destruction of humanity; instead of being helpful, he is bullying & obfuscating, and refusing to acknowledge that people will suffer the prophetic implications seriously.

This was prophesied in Luke 18:2-8 - of an 'Unjust Judge', who'd leave the Jewish people in Revelation 3:9-12 - where my name Zanda aligns with prophecy given to the New name of Christ (Sananda), the name of the Archangel who is a Pillar of Heaven (Sandalphon), the name of the Z'Nur, and the name of the Creator in many of the world's religions (Zan).

For years I've been explaining to the 7th, that three years before reading the 10th of the Last Trumpet, at a sacred mountain in Ibiza called Atlantis - which I believed it to be a doorway to Heaven. At this same time I was given wisdom by the Holy Spirit. Yeshua came to lay down a Snare, by establishing a legal exam by his Temple.

Over the last 8 years I've also conversed with a person with the username 7th's chatroom, who claims to have a masters of Talmudic studies, and li them, instead of take on board the data I was given by God to prevent Ar for a date for the destruction of Israel - where they believe if the date d prove me as a fake prophet.

The problem with both of their appraisals of what is going on, is that the data in the case, as they've stated from their vantage point, that they on experts confirm. So they've asked me to write to the Chief Rabbi, and so back on 25th of August 2023; who after I phoned his secretary Raquel, th emails had been received, yet declined the offer to look into what God ha find the content of what was s [hated in the emails](#)

Since 7th & Olam declared that Ephraim Mirvis wasn't a high enough level writing to yourselves on their requests, and to cover my own liabilities; s knowledge God gave me is examined at the highest authority for Rabbinic prophesied is then fulfilled.

Based on lots of study of the religious texts, I believe I'm now able to pr of King David, then Yeshua, and now Zion/Zan as part of prophetic uttera

There is a massive amount of information to the case [discussed in my letter to Ephraim Mirvis](#) and of it in my letter to Ephraim Mirvis multiple prophecies I fulfilled before rea and other religious texts globally.

At 15 years old God spoke to me in a vision whilst walking down the train eschatology explained, and was asked to read the world's religions - the before we come to the Great Tribulation. Since that time I've read many that multiple prophecies globally have a variation of my name as the fina come to Judgement Day, and then the Resurrection of the Dead.

I'm curious do I have any legal rights when this is a part of Hebraic prop Divine Right, and to have the case God gave me examined properly, so th the fire, rather than an annihilation bringing the Judgement?

My wish since 5-6 years old has always been to educate the people about instead; even though God did warned me at that age, that they'd not liste to you before the Great Tribulation, to see if there is anything the highe help?

Basically the Bible is extremely cryptic, and there are many mechanisms that could then be taught; even the idea the New Testament was purpose Pharisaic a [uthor Paul and Simon](#) can be shown as an ordained morality exam.

I've been asking 7th & Olam to help share this information as an educati cause an affray against the Jews; because if everyone realized that Phar Christianity, as to end the original Jewish Ebionites, this will cause mor

I'd be grateful to understand if you can do anything to help, and if not, i write to with more authority?
