Since 7th is fed up with me asking him to spare mankind for 18 years, he has a new policy in his room, that I'm not allowed to speak about him & Olam c of billions of people, else he will ban me for ever.

I've just written to the London Beth Din informing them of the coming judgement on unless we can fix these religious situations globally.

Since I'm an eternal optimist, even though scripture says I will get ignored and God told me as a child my message wouldn't travel as far as I'd wish that the Beth Din will reply, else most will soon cease to exist.

It is shocking that the Rabbinic experts I've appealed to over the last 20 to leave humanity to be destroyed, and I'm ever hopeful that some of you all to be wiped out.

Regardless of any of these experts understanding their religious texts, and choose who is in our Book of Life, and then those recorded will be resurrected.
