Shalom David

Most of what I've been told is not new prophecy, it is that the texts have our name means 'Zandis' (Persian, to fulfil the coming of the final Sayosh Truth), to address what has been misunderstood, before the Great Battle ('Make All Things New' - Judgement Day Fire).

The reason I've asked for answers to the questions, is not because I have King David/Yeshua/Zion/Zan before the Great Tribulation; yet because I was wiped out, due to a lack of comprehension, and I'm asking a court so it is

If you've looked up the texts we've just listed in the Tanakh, it does imply will be rejected, and then Judgement comes on mankind because of this reason all the Rabbinic Jews would want to reject their opportunity to diplomatically their religious texts.

As far as I understand of Rabbinic ideas, many wait for the Messiah to appear of prophecy - which is all I'm trying to do; in the hopes that they don't wait then.
