I feel many people have got muddled up with what Christ said.

You see the son of man is to come first, from what I can see and prophesied.

Yet when Christ comes back as Daniel and Yeshua said him self, he will

be the host of Heaven.

I was also told this as 15 that the host of heaven are coming back.

I don't think many people realise the implications of this, heaven is so big.

It is energy unless you are of frequency. Your physical and spiritual body can

communicate. When this is here as also foretold, there will be no need for books, as it

is all in God. God feeds all of heaven, with in even the slightest breeze of Gods breath

and knowledge. You no longer need to learn you simply accept that God knows

also the answer; as soon as you think why? The answer is already there.

The true name of heaven is Oneness, with everyone accepting each other.

There is no need for man made religions, in fact a lot of these produce EGO which

is the enemy. Saying all of that though, God's hand is still stretched out, and so we must

come first. Yet I do feel many are too stubborn like goats or like sheep and won't

listen to their forefathers, then try for Oneness and resolve the differences.
