Dude here - It appears to be a matrix, of some kind. This one would have quorks and such, of a certain type. I haven't been able to find out much about it, but it's classified..

It has to do with the mind's thought dimension, which is spiritual. Ever since the morpho-genetic grid, and that's why Hitler was after it. Whoever controls the culture, race, or just one King or President at times, etc. It's a living grid of thoughtwaves. That's all I know. I do know various governments after Hitler went out, our Pentagon has probably found out a few things. But again it's all

It's possible that the next astral plane out, called the "real time" zone, is a reflection of it, or is in fact the morpho-genetic grid.. Many out of body experiences in the real time zone, which reflects a copy of everything on earth, including the subconscious would be manifested. Anywho, disturbing reports are written about these. These look like soldiers, but have electronics weapons of some kind. They are someones dopplerganger, shadow, or astral reflection; and control their actions. I have had this happen to me sometimes.

No one knows who these "target armies" work for. I suspect it is the FBI trying to find out, weird things happen to them, it disappears or they pop back up. Something is protecting this "target army". All reports are its not benevolent, threatening, when they try and approach this "target army", with their mind. I have to say that this seems like the morpho-genetic grid that Hitler was after.

Can you do any out of the body travels, Wizanda?
