Dude, this is David... i have seen that on disc. chnnl. but i've never see  
everything was inconclusive, and in the end, the black spot the radars pi  
:-/.. Evolution.... hmmm a hoax... not at all... mutation does occur, but s  
nothing into an animal does seem a bit hard for me to wrap my mind arou  
you tell someone evolution is fake, that you elt them know natural select  
selection is a direct cause of mutation of species because of environmen
