Hi David:

Hi wizanda, that verse you quoted of Rev 11:6 - they have power to cause the earth with every plague.. This is a future prophecy of the Living Wave 144,000, or by the kings over each tribe; when the New Jerusalem comes this now, you could be running ahead of things (1 Cor. 4:5)..Also its to enough knowledge to do these things, thinking we are serving God.

Theres a bible verse about, "thinking they are serving God, but are really watch out and be really careful. Your current belief system of there is no up for a hard fall. If Lucifer came to you in his beautiful, full angelic form bad angel, because he is so beautiful and shines like the sun! If an angel light, equal to the sun, and was extremely huge and beautiful, and said and it was Lucifer tricking you. Your gonna have to answer to God for that pretty, it could cost you eternal life. I got red flags going up all over the position about God not being an individual, but just a force; and about you Lucifer/satan. You can be set up in so many ways to look like a fool, it a you already have been. When I rip the veil of of this, you are probably g pants dude..And I mean big time!!!! You dont know me, you only think you

Ya know Wiz, you are not the only one whom has been visited, taken out back to life, studied every religion, become a magi, a magician, a worker. There are a lot of us like that. Myself included..And some of us have acted in harmony with the bible and all it says about the devil and Lucifer. Some and he aint just pure energy, he has a form and a face! Energys are just the father. The oneness you feel in the higher realms is energy from a source. Evidently you have never met him.

Lucifer often takes MANY OUT OF THE BODY, AND TAKES THEM TO THE OUTSIDE OF CONSCIOUSNESS, SO THEY THINK THEY HAVE FOUND GOD, WITHOUT THE FATHER. THIS MIGHT HAVE BEEN WHAT HAPPENED TO YOU. I DON'T KNOW THE FACT YOU DENY THE FATHER AS HAVING A FACE AND FORM, IN THE ABOVE SOUNDS LIKE LUCIFERS DOCTRINES TO NEW AGE.. SO WHATS REALLY HAPPENING TO YOU MY BROTHER? Now lets get back to the subject, Lucifer can wait, I'll find him...and I'll get back to you wiz, I'm going to find out in time, what really happened to the subject....

King David will rule as a king, because the bible says he will be king for 1000 years Dan 12:2, along with millions of others, when the New Jerusalem comes to earth. Who will rule over by one of the 12 apostles, the bible tells us that too. Will paul be the one who rule as kings over each tribe, is King David, above that is the Living

King Jesus and above him, is our Father!

You are right David, nations will use non polluting technology during the here, but greed has kept it down. But when God sends the New Jerusalem early 1960's, a delegation, from heaven came to earth, and gave this technology named O-Ten-U. He went to Washington and told them about this technology and given it to him, to give to the government, but heavens condition was its use, since it was free energy from earths and the universes magnetic field. Kennedy was in office then. Its suspected he was going to do this, and stop it. Along with this free energy for homes, were planes for a type of UFO, for Kennedy was murdered, the forces in Washington started harrassing these planes, and got them out of the united states. But there is still a headquarters at Westland, Michigan, times talking to Daniel, who is a public relations officer. They are waiting for you to come. They already have 144,000 pilots trained to fly these versions of UFO's. I have some, to train others.. Maybe you David? They also have boxes that will take 15 of these boxes to power america. All this came from Heavens UFO's 60's. They are just waiting now...

Now, when the New Jerusalem comes to earth as spoken of in Daniel 2:44, it will be a version of heaven ufos to harvest the nations with. Let me ask you guys, if Osama Bin Laden in one of Heavens ufos, and brought him to the holy city, would he drop his war? What about scrub Bush, do you think he would even come to the holy city? Wat about these millions of martyrs ressurected when the New Jerusalem impact will they have, pointing nations to the holy city, while heavens ufos are gonna find out who you are Wiz? Because I am one of the Living Wavesheaf Merkaba, his personal chariot, which will be above earth, in the sky above the living wavesheaf is Jesus. The rest are below us, in the earth. Do you think they let me into one of Heavens UFO's on that night..now back to the city.

The city is pure gold, with 12 gates, with 12 pearls for gates. At each gate the gates are never shut, the garden of eden is inside, and all is holy and clean. We will see here convince most of them to join God. It goes on to say the nation that does not enter the city, will recieve no rain. Inside the city is a temple made from the essence of life, this is a spirit temple. From the throne runs a river of pure life, on the banks of the river is life. (Rev 21) paraphrased

Now Wizanda, you said in the posts above, that God was energy and not matter, and was around on a cloud. That sounds like new agism to me, because I know Lucifer, the guides and familiar spirits and such. They all teach there is no God, and we should believe that wizanda? Did I mis-read wat you said? Do you believe in the existence of God that has form and a face? It sure seemed to me that you just said, there is no face. I need clarification on this wiz. We need to discuss this. We also need to discuss Lucifer/satan being real or not? The bible says they are real. What book says that says they are not real? Besides your out of the body stuff, which we need to explore anything I have written about here. I am here to serve. That goes with love and love, in truth...
