no dude, i do not.. i could go and search for it.. pretending as if i am all
dwell in my human nature. Yes Ezekail mentions the color of the UFO's...
metal/crystal he mentions comes in many many many different colors... a
it... leads me to believe it is of gold, or orange in color. I'd still love a
download yahoo messenger, and send me an instant message, just click
this post, and it has my I.D.'s. I have much knowledge to share with you.
guess i shouldn't call them beliefs anymore... i guess i should just call i
aliens walking among us and we don't even know it, pretty cool huh? :) H
being kind hearted and worthy. if not i'll escape on my own UFO... then t
'cause i'll prove my will to live and want to explore :) :P 'cause only the
creatures, would want to interact with another creatures world, feel it's
lifestyle, make friends with it's family, understand it's culture, understand
history and it's technology... and the list goes on :) peace, much love my
don't like high fives or wrestling... it could break their bones.
