Escape a moon base?lol.. that sounds like atlernive 3, a book written by from england, for some bid braodcasting outfit. seems many scientists disappeared and went to a moon base, then from there to mars. Evident out; they are colonizing on mars. This is fumny cause I saw t-shirt rec Mars, I had to chuckle at that one...

Anywho when this broadcasting company went public with this, the gover and america went crazy, and wouldnt let em repeat it again over the air. called, alternative 3. They are using ufos to get back and forth. Hilter w the war. according to my books, Germany went to the moon in 1944, with England and America got these scientists and schematics, at the end of t

By the way David, a prophet is not infallable, we are going to make mista human element we have to deal with. I know I am not infallable, and I kn you two...and others whom the spirit leads here from time to time...
