Trying to understand what the Hebrew Scriptures say reading only the En  
repairing a 747 Jumbo Jet with a VolksWagon manual...it can't be done!

What the translators did was to turn the meanings of the Hebrew words a

Scriptures say things that are not written in the Hebrew!

The Scriptures were given to us through the Hebrew people.

The Messiah gave us a warning that we MUST STUDY the Hebrew

in order to understand what was written. Remember in Matt.24:15 He said  
understand what Dan. wrote.

The big lie that the translators pass off as truth is that the Second Volun  
Testament was written in Greek.

Here is a web site that will let you see the LIE.
