You have got to be careful with all that Paul says, he is the Anti-Christ,
he was trying to help.
Yet he doesn't! He wasn't a prophet who said he was allowed to propheci
after life works?
He fulfills a fake prophet by Jeremiah 23 by saying the oracle of the lord
words as if his own. He joins parts of his neighbour's words and makes i

Paul said if an angel comes and teaches a different Christ don't believe
Now with the fact that Paul contradicts Christ teachings in the gospels b
you trust an angel or anything Paul says.
Now what Christ sees of God, is as I would and the other elders/masters

time. As for God image, really he doesn't have one, yet you will see the

What does it say in job where Satan (not Lucifer) comes from?

Who walks the earth?
Man
In Genesis who made eve eat the fruit?

What does Satan mean?

What does Paul do in his extra rules and judgements?

Who gets kicked out of heaven?
John, Paul and Simon peter's Pharisee doctrine
I hope I am making sense?
What I am trying to say is the devil is made up, it is there to scare you;
produces more egos.
Heaven is oneness (one us); hell is ego!

Oh and as for the two separate lights they are like this, one you have a
