Yep, you are getting a good dose of knowledge David.. Its my understanding that the forces started pushing satan, and his created entities and empire; they are across the universe, and several astral planes. THEY ARE BEING PUSHED TO EARTH AS A BATTLEGROUND, OR ARMAGIDDEEN. I dont know how many years its going to last, but its pretty big..

This info about this war, that started last yr is put out by the group who are preparing for the new Jerusalem. They are very metaphysical and Yahshua oriented. JJ Hurtech was supported in the early 70,s and given truths, Or keys; to prepare a group of people for the new Jerusalem. I have found two other groups that Heavenly forces are preparing for the new Jerusalem, one at wavesheaf and those at Weslaco, Tx. These groups dont know about each other, but all 3 of them. There are probably more too, that heavens forces are preparing for the new Jerusalem.

All these various groups, who dont know about each others, will be brought to the new Jerusalem lands on earth. At least thats the way it looks to me. All of the UFO encounters, that cant be denied. Two of them have "contact", and one is a personification of the Fathers and Mothers essence. There are 2 high priests who always did the rites. There is to be two high priests who are an anti-type of the current generation. One will be male, and the other female; to adequately represent the fullness. Ufos constantly watch these two all the time, as the end draws near.

The ODF, or Outer Dimensional Forces, are made up of heavens ufos. There are thousands, if not in the millions. Its my understanding many of them are positioned at the north and south poles, to keep the axis from shifting any farther. In the near future they will be moved back to where it belongs, probably when the new Jerusalem comes to earth. I have more info about this now. I cant believe how blessed we are.

Regarding religion, dont fret to much about it.. Just be a good person, follow Yahshua, thats all you need. Its about love, and peace, and joy!! God bless you all, be kind! Aint we all..lol
