They're just like me and you dude! they're just like em and you! get out of your dogmas and social doctrines. Think from an outsiders point of view. You have technology soon, what happens when we visit a planet that doesn't have technology suddenly become satans minions and angels? YES in fact we do! Because we are the unknown to them. We can now think inside the realm of the "unknown" and his minions, for all i know you could be one of them lol. There is no galactic war out Dude, not sticking to your beliefs! the hardest thing to do is to get to know there is no galactic war going on right now over our heads 'cmon m
